

OBJECTIVE

I am a motivated and versatile individual eager to embrace new challenges. With a passion for continuous learning and a commitment to delivering high-quality results, I bring a positive attitude and a growth mindset. Building on my background in Interior Design, I am transitioning into Construction Project Management, ready to contribute meaningfully and achieve impactful results.

EDUCATION

Northeastern University, Boston, USA

**Master of Science in Project Management (Construction Management)**

Relevant coursework: Introduction to Construction Management, Foundations of Project Management, Project Scope Management, Project Risk Management, Negotiation, Mediation and Facilitation and Communication Skills for Project Managers.

*Expected Graduation: July 2026*

**Current GPA (3.7/4)**

Mount Carmel College Autonomous, India

**Bachelor of Science in Interior Design and Management**

Relevant coursework: Construction, Services, Project and Cost Management, Working Drawings, Renovation Restoration & Remodelling.

*May 2023*

SKILLS

**Project Management:** Cost Estimation and Budgeting, Quality Management, Resource Allocation, Scheduling, Work Breakdown Structure (WBS) Creation, Detailed Planning, Project Documentation, Stakeholder Engagement and Negotiation

**Technical Skills:** AutoCAD, SketchUp, MS Project, Primavera, MS Office, Enscape, Adobe Photoshop (basic) **In Progress:** Revit, BIM

**Soft Skills:** Leadership, Communication Skills, Problem-Solving, Attention to Detail, Time Management, Adaptability, Conflict Resolution, Client Relationship Management.

PROFESSIONAL EXPERIENCE

Freelance Interior Designer, India

*May 2023 – June 2024*

As a freelance interior designer, I specialized in creating detailed 3D designs and rendered walkthroughs to bring client visions to life. I also provided expert advice on 2D layouts, optimizing space functionality, and offered alternative material suggestions tailored to client preferences and budgets. This experience, beyond my internships, significantly enhanced my design skills, exposed me to real-world project challenges, and strengthened my entrepreneurial abilities. It also allowed me to develop effective client communication.

Interior Designer Intern, Homes under Budget, India

*December 2023 – April 2024*

- Cost Estimation & Budgeting:** Prepared accurate estimates daily, reducing revisions by 20% and streamlining approvals through thorough documentation of client requirements.
- Technical Knowledge:** Designed and rendered 2D plans and 3D models for diverse projects, leveraging AutoCAD, SketchUp, and Enscape to meet client needs and site constraints.
- Stakeholder Engagement:** Presented design options in client meetings, ensuring satisfaction and increasing project value by at least 20%. Recognised by management for driving client satisfaction and profitability.
- Quality Management:** Updated designs during site visits to align execution with plans, ensuring timely project completion.
- Collaboration & Leadership:** Partnered with marketing teams to create engaging content, boosting visibility and team synergy.
- Problem-solving:** Proposed material alternatives to address shortages, maintaining project timelines and quality.
- Project Documentation:** Produced detailed drawings, specifications, and records, ensuring smooth execution and clear client communication.

Interior Design Intern, Tattva Architect, India (Hybrid)

*June 2023 – September 2023*

- Produced space plans, furniture layouts, and 3D renderings under the supervision of a senior architect, using AutoCAD and SketchUp.
- Collaborated with the design team to revise drafts and incorporate client feedback, ensuring designs met functional and aesthetic goals.
- Shadowed client meetings with Senior Architects, gaining insights into effective stakeholder communication.
- Conducted research on materials and finishes to align designs with client preferences and budget constraints.

ACADEMIC PROJECTS

Renovation of 5 Anganwadi Centres

Anganwadi’s are government-run childcare centres in rural India, providing essential services like healthcare, nutrition, and early education to children aged 0-6.

- Project Overview:** Collaborated with a team under the guidance of teachers to design 2D plans, 3D views, and furniture layouts for renovating five Anganwadi Centres in Bengaluru Rural, in partnership with the Ministry of Women and Child Welfare.
- Site Analysis:** Conducted site visits to take measurements, assess space usage, and identify operational challenges such as limited space and inadequate furniture through discussions with head teachers.
- Design Execution:** Developed budget-compliant design solutions to optimize space utilization and functionality, presented proposals to peers and faculty, and finalized approved designs for implementation.
- Recognition:** The completed project was featured in *The Hindu* newspaper as part of Mount Carmel College’s Platinum Jubilee celebrations, showcasing its community impact.

VOLUNTEER WORK

Coordinated the department fest *KAIZEN* at Mount Carmel College, where I was responsible for organizing and overseeing the display of student models and designs. I developed strong project management skills by managing multiple tasks, coordinating teams, and ensuring the event's timely execution. This experience enhanced my ability to plan, prioritize, and communicate effectively with fellow mates to ensure a smooth and successful event.
